

# HOUSTON

Rising above its roots on the bank of Buffalo Bayou, Houston skyline displays a dazzling variety of modern architecture. Framing the 75-story Texas Commerce Tower (left center) are two 1920's classics; the 36-story Gulf Building, and the 32-story Niels Esperson Building.

Dear Harold & Lillian,

Made the first leg of our journey fine. Thought you might like to know that one of the largest bookstores, in a restored movie theater had Nelson Agram prominently displayed rather than tucked away on some lower shelf. We saw m.b. & said to...
